

## **Adam Lambert - These Boys**

```
boys can't slow me down
                                                                                                                             Fm
                                              (C)
                                                                These boys, these boys gonna get in close, so close
 (com acordes na forma de
Capostraste na 2º casa
                                                                                                                     \mathsf{G} - \mathsf{Am}
                                                                We're listening to radio and let it go
Ooh, you think I'm calling stupid, stupid
                                                                                                            Em
                                                                Listening to radio and let it go
                                                                                                            G Am
Mmm, where you think bigger trying prove it, prove it.
                                                                Listening to radio and let it go
  Am
Ohhh, you think really such a slip ring run up
                                                                These boys, these boys can't slow me down These boys, these
                                                          Fm
                                                                boys can't slow me down
Who keep on time talking you be gonna, yeah
                                  Am
These boys, these boys can't slow me down These boys, these
                                                                Slow me down, slow me down These boys can't slow me down
boys can't slow me down
These boys, these boys wanna have a go, who you calling clown
                                                                                           Em
                                                                Take the breast, gotta take the breast so I don't lose my
These boys, these boys can't slow me down These boys, these
                                                                composer,
boys can't slow me down
                                                                                  Fm
These boys, these boys gonna get in close, so close
                                                                I see the edge, I can see the edge Man I feel I getting
                                                                closer, closer
We're listening to radio and let it go
                                            Fm
                                                                                                   Am
                                                                These boys, these boys can't slow me down These boys, these
Listening to radio and let it go
                                            G Am
                                                                boys can't slow me down
Listening to radio and let it go
             C
                                                                These boys, these boys wanna have a go, who you calling clown
These boys, these boys can't slow me down These boys, these
                                                                                                   Am
boys can't slow me down
                                                                These boys, these boys can't slow me down These boys, these
                                                                boys can't slow me down
                                                        G Am
                                                                                                                             Em
So you think you quite fighter, fighter
                                                                These boys, these boys gonna get in close, so close
                                                                                                                     G Am
                                                                We're listening to radio and let it go
Mmm, but you looking more like a crier, crier
                                                                C
                                                                                                            Em
                                                                Listening to radio and let it go
Ooh, but you're think really quite the standard
                                                                                                            G Am
                                                                Listening to radio and let it go
But you're just like a rest go ahead and take a number Yeah
                                                                These boys, these boys can't slow me down These boys, these
                                                                boys can't slow me down
                                                                (Slow me down)
These boys, these boys can't slow me down These boys, these
boys can't slow me down
These boys, these boys wanna have a go, who you calling clown
                                                                We're listening to radio and let it go These boys can't slow
                                  Am
These boys, these boys can't slow me down These boys, these
                                                                me down
```
