Adam Levine - No One Else Like You

```
Tom: D
Intro: 2x: G7  D7  A  Em

G7                    D7
Is everything just right
A                          Em
Don't want you thinking that I'm in a hurry
G7            D7
I won't stay afraid
A                        Em
I had this vision that has got me worried

         G7            D7
'Cause everyone wants someone
          A              Em
That's one cliché that's true
   G7            D7
Except you I want no one
   A              Em
Unless that someone's you

                G7
And looks like you
                D7
And feels like you
                  A
And smiles like you
         Em            G7
I want someone just like you
             D7
Through and through
                  A
I'm forever blue
         Em
Because there's no one else like

G7                      D7
I hope that you're not bad
A                          Em
You always said you want a man of passion
G7                  D7
I'm not the hottest left
A                            Em
There's more than likin' physical attraction

    G7            D7
You got your special someone
         A            Em
Between me and you guess who
        G7                D7
Been spending my whole life waiting
          A         Em
For someone just you

                G7
And looks like you
                D7
And feels like you
                  A
And smiles like you
         Em            G7
```
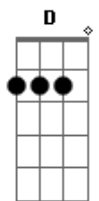

```
I want someone just like you
                 D7
Through and through
                     A
I'm forever blue
                  Em
Because there's no one else like

(Intro 1x)

      G7
I want you in my heart
   D7
I see you in my dreams
     A
I know I make you mad
      Em
As crazy as it seems
      G7      D7       A
Just you, yes you, yes you
          Em          G7
I need someone just like you
          D7
Love me true
                A
I'm forever blue
                  Em
'Cause there's no one else
          G7
There's no one else
            D7
There's no one else
            A
There's no one else
            Em
There's no one else
          G7
There's no one else
            D7
There's no one else
        A         Em
I need your help
                     G7  D7
'Cause you're so far
            A    Em
You're so far
              G7   D7
'Cause you're so far
            A    Em
You're so far
              G7   D7
'Cause you're so far
            A    Em
'Cause you're so far
              G7   D7
'Cause you're so far
            A    Em
You're so far
          G7   D7
You're so far
            A    Em
You're so far
```
