SONG TITLE: Listenin' To The Radio

CHORDS:

F or
 G (x32010)
 C (x32000)

Easy song, rather boring, I only did it because it was a request.
 Good lyrics though.
 The picking part that's used throughout the song goes like this:

F G C C

This picking pattern is used in a lot of places in the song, you'll hear it. The chords through most of the song are 'F G C C', you can always use this picking stuff on those chords. Then he strums 'Am C' at the beginning of the choruses, that's the whole song. I just strum all the chords, it sounds good to me.
