

# Adam Sandler - Ode To My Car

Tom: **A**

Tabbed by: John Leadman

CHORDS:

**A** (x02220) or  
**E**  
**D2** (xx0230)  
**Gbm**

The chords are played with a reggae beat, something like this:

**A** **E** **D** **E**

or like this:

**A** **E** **D** **E**

Remember to sing with a stupid Jamaican accent. The words in parantheses ( ) are the backing vocals. All the verses and choruses

have the same chord progression: **A E D2 E**.

Intro: **Gbm E D2**

Here we go

**A E D2 E**  
 No, no, no

**A E D2 E**  
 (oooh oooh) (oooooh ooooooh)

VERSE 1:

**A E**  
 Piece of shit car

**D2 E**  
 I got a piece of shit car

**A E**  
 That fucking pile of shit

**D2 E**  
 never gets me very far

**A E**  
 My car's a big piece of shit

**D2 E**  
 'cause the shocks are fucking shot

**A E**  
 and my seatbelt's fucking broken

**D2 E**  
 I got to tie it in a knot

(it's a piece of shit)

VERSE 2: [play same as verse 1]

I can't see through the windshield  
 'cause it's got a big fucking crack  
 and the interior smells real bad  
 'cause my friend puked in the back  
 (it's a piece of shit)

CHORUS:

**A E**  
 (piece of shit car)

**D2**  
 Piece of shit car

**E**  
 (you got a piece of shit car)

**A**  
 It sucks royal dick

**E**  
 (that fucking pile of shit)

**D2**  
 oooh, a 100 percent crap

**E**  
 (never gets him very far)

**A**  
 Oh fuck you car

VERSE 3:

It's got no **CD** player  
 It only got the fuckin 8-track  
 Whoever designed my car  
 can lick my sweaty nutsack  
 (they can lick his ass too)  
 and I got no fucking brakes  
 I'm always way out of control  
 Eleven times a day  
 I hear 'hey, watch it asshole'  
 (you fucking piece of shit)

CHORUS: [play like previous chorus]

(piece of shit car)  
 I got a piece of shit car  
 (you got a piece of shit car)  
 Diesel gas sucks my ass  
 (you fucking pile of shit)  
 That pile of metal shit

BRIDGE:

**D2**  
 Oh what the fuck did I do?

**E**  
 what the fuck did I do?

**D2**  
 what the fuck did I do?

**E**  
 to get stuck with you?

**D2**  
 You're too wide for drive through

**E**  
 and you smell like tissue

**Gbm E D2**  
 but I'm too broke to buy something new

Ooooh, fuck me

GUITAR-SOLO:

- Played over verse/chorus chords: **A E D2 E** a few times.

VERSE 4: [play same as verses 1,2 & 3]

Well, the engine likes to flood  
 the car always fucking stalls  
 and the seat cushion's got a big rip  
 so a spring always pokes the balls  
 (ouch ouch ouch)  
 Blasted doorlocks are busted  
 I got to use a fucking coathanger  
 (what a pain in his ass)  
 and if a girlie sees my car  
 there's no chance I'll ever bang her  
 (he never ever get the pussy)  
 Hey shut up

CHORUS: [play like previous choruses]

(piece of shit car)  
You piece of shit car  
(he got a piece of shit car)  
You piece of shit car  
(piece of shit car)  
Bald fucking tires  
(he got a piece of shit car)  
No rearview fucking mirror  
(piece of shit car)  
Seven different colors

(he got a piece of shit car)  
Fucking rag for a gas cap  
(piece of shit car)  
Tailpipe making sparks fly everywhere  
(he got a piece of shit car)  
(piece of shit car)  
Whoooooooooah  
(he got a piece of shit car)  
(piece of shit car)  
Me hometown thinks I'm a loser  
(he got a piece of shit car)  
hey cabbie, give me a push  
(piece of shit car)
