

Adauto Villela - Até cê voltar

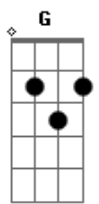

tom:
 Quando será que 'cê vai voltar?
 Vi, tantas vezes, seu rosto em outras
 Quanta vontade de te encontrar
 Frente a frente, presencialmente
 Não na tela de um celular

Vem que te amasso toda
 Rasgo a sua roupa
 Levo na cama o café da manhã só pra te mimar
 Te cubro de carinho
 Grudo bem coladinho
 Faço valer todo tempo de espera até 'cê voltar
