When will I see you again?  
 You left with no goodbye, not a single word was said  
 No final kiss to seal anything  
 I had no idea of the state we were in.

I know I have a fickle heart and bitterness  
 And a wandering eye, and a heaviness in my head

But don't you remember, don't you remember?  
 The reason you loved me before,  
 Baby please remember me once more.

When was the last time you thought of me?  
 Or have you completely erased me from your memories?

Cause I often think about where I want to roam.  
 You more I do, the less I know.

I know I have a fickle heart and bitterness  
 And a wandering eye, and a heaviness in my head

But don't you remember, don't you remember?  
 The reason you loved me before,  
 Baby please remember me once more.  
 Ohhhh

I gave you the space so you could breathe,  
 I kept my distance so you would be free,  
 I hope that you find the missing piece  
 To bring you back to me.

Why don't you remember, don't you remember?  
 The reason you loved me before,  
 Baby please remember me once more.  
 When will I see you again?
