

# Adele - First Love

Tom: <b>C</b>	To doubt myself
<b>F</b>	<b>F</b>
<b>C7M</b>	<b>C7M</b>
So little to say	Simply, it's tiring
	( <b>F</b> <b>C7M</b> <b>Em</b> <b>Am</b> )
But so much time	
<b>Em</b>	<b>Em</b>
Despite my empty mouth	This love has dried up
<b>Am</b>	<b>Am</b>
The words are in my mind	And stayed behind
<b>F</b>	<b>F</b>
Please wear the face	And if I stay
<b>C7M</b>	<b>C7M</b>
The one where you smile	It'd be a lie
	<b>Em</b>
Because you	Then choke on words
<b>Em</b>	<b>Am</b>
Lighten up my heart	I'd always hide
<b>Am</b>	<b>F</b>
When I start to cry	Excuse me first love
	<b>C7M</b>
<b>F</b>	But we're through
Forgive me first love	<b>Em</b>
<b>C7M</b>	I need to taste the kiss
But I'm tired	<b>Am</b>
<b>Em</b>	From someone new
I need to get away	<b>F</b>
<b>Am</b>	Forgive me first love
To feel again	<b>C7M</b>
	But I'm too tired
<b>F</b>	<b>Em</b>
Try to understand why	I'm bored to say
<b>C7M</b>	
Don't get so close	
	The least and I
To change my mind	<b>Am</b>
<b>Em</b>	I lack desire
Please wipe that look	
	( <b>F</b> <b>C7M</b> <b>Em</b> <b>Am</b> )
Out of your eyes	Forgive me first love (4x)
	Forgive me
It's bribing me	Forgive me first love (2x)
<b>Am</b>	

## Acordes
