Adele - First Love

Tom: C С F So little to say But so much time Em Despite my empty mouth Am The words are in my mind F Please wear the face C The one where you smile Because you Em Lighten up my heart Am When I start to cry F Forgive me first love С But I'm tired Em I need to get away Am To feel again F Try to understand why C Don't get so close To change my mind Fm Please wipe that look Out of your eyes It's bribing me Am

Acordes

To doubt myself Simply, it's tiring (F C Em Am) Em This love has dried up Am And stayed behind F And if I stay C It'd be a lie Em Then choke on words Am I'd always hide F Excuse me first love C But we're through Em I need to taste the kiss Am From someone new Forgive me first love С But I'm too tired Em I'm bored to say The least and I Am I lack desire (F C Em Am) Forgive me first love (4x) Forgive me Forgive me first love (2x)
