

Adele - Hello

Tom: Ab

(com acordes na forma de Capotraste na 1ª casa G)

Hello, it's me
I was wondering if after all these years
You'd like to meet, to go over
Everything
They say that time's supposed to heal ya
But I ain't done much healing
Hello, can you hear me?
I'm in California dreaming about who we used to be
When we were younger and free
I've forgotten how it felt before the world fell at our feet
There's such a difference between us
And a mil-lion miles

Refrão:

Hello from the other si-de
I must've called a thousand ti-mes to tell you
I'm sorry, for everything that I've done
But when I call you never seem to be home
Hello from the outsi-ide
At least I can say that I've tri-ied to tell you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
Hello, how are you?
It's so typical of me to talk about myself
I'm sorry, I hope that you're well

Did you ever make it out of that town
Where nothing ever happened?
It's no secret
That the both of us are running out of time

Refrão:

Hello from the other si-de
I must've called a thousand ti-mes to tell you
I'm sorry, for everything that I've done
But when I call you never seem to be home
Hello from the outsi-ide
At least I can say that I've tri-ied to tell you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
Ooo-oohh, anymore
Ooo-oohh, anymore
Ooo-oohh, anymore
Anymore
Hello from the other si-de
I must've called a thousand ti-mes to tell you
I'm sorry, for everything that I've done
But when I call you never seem to be home
Hello from the outsi-ide
At least I can say that I've tri-ied to tell you
I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
