

Adele - Hello

Tom: **Ab**

Fm, G#, Eb, **Db**
 Hello, it's me
 I was wondering if after all these years
 You'd like to meet, to go over everything
 They say that time's supposed to heal ya
 But I ain't done much healing
 Hello, can you hear me?
 I'm in California dreaming about who we used to be
 When we were younger and free
 I've forgotten how it felt before the world fell at our feet

Fm, Eb, Cm, **Eb**
 There's such a difference between us

Fm, Eb, **Db**
 And a million miles

Fm, C#, G#, **Eb**
 Hello from the other side
 I must've called a thousand times to tell you
 I'm sorry, for everything that I've done
 But when I call you never seem to be home
 Hello from the outside
 At least I can say that I've tried to tell you
 I'm sorry, for breaking your heart
 But it don't matter, it clearly doesn't tear you apart anymore

Fm, G#, Eb, **Db**
 Hello, how are you?
 It's so typical of me to talk about myself
 I'm sorry, I hope that you're well
 Did you ever make it out of that town

Where nothing ever happened?

Fm, Eb, Cm, **Eb**
 It's no secret

Fm, Eb, Cm, **Eb**
 That the both of us

Fm, Eb, **Db**
 are running out of time

Fm, C#, G#, **Eb**
 So hello from the other side
 I must've called a thousand times to tell you
 I'm sorry, for everything that I've done
 But when I call you never seem to be home
 Hello from the outside
 At least I can say that I've tried to tell you
 I'm sorry, for breaking your heart
 But it don't matter, it clearly doesn't tear you apart anymore

Oooooohh, anymore
 Oooooohh, anymore
 Oooooohh, anymore
 Anymore

Fm, C#, G#, **Eb**
 Hello from the other side
 I must've called a thousand times to tell you
 I'm sorry, for everything that I've done
 But when I call you never seem to be home
 Hello from the outside
 At least I can say that I've tried to tell you
 I'm sorry, for breaking your heart
 But it don't matter, it clearly doesn't tear you apart anymore
