   you mustn't underestimate that when you are in doubt
                                                                                                                                                                                                                                                                          Am C
                                                                                                                                                                                                                                                        Maybe we're already defeated
                  Am C
                                                                                                                               Em
   but I don't want to carry on like everything is fine
                                                                                                                                                                                                                                                                  F G7
   The longer we ignore it all the more that we will fight
                                                                                                                                                                                                                                                                                      Am
                                                                                                                                                                                                                                                        Everything changed me
   Please don't fall apart
                                                                                                                                                                                                                                                        And I...
   I can't face your breaking heart
                                                                                                                                                                                                                                                        I don't think you can save me
