

Adele - Love In The Dark

tom:
 C
 Take your ^{Am} eyes off of me so I can ^C leave
 I'm ^{Am} far too ^C ashamed to do it with you ^{Em} watching me
 This ^{Am} is never ^C ending, we have been here ^{Em} before
 But I can't ^{Am} stay this time 'cause I don't ^C love you anymore ^F

^{Am} Please, stay where you are ^C
 Don't ^{Em} come any ^F closer
 Don't ^{Am} try to change my ^C mind
 I'm ^{Em} being ^F cruel to be kind

^F I can't ^G love you in the ^{Am} dark
 It ^F feels like we're ^G oceans ^{Am} apart
 There's ^F so much ^G space between us
 Maybe ^{Am} we're ^C already defeated
 Ehhh
 Everything ^{Am} changed me ^C

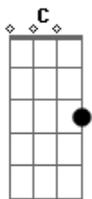

^{Am} You have ^C given me something that I can't ^{Em} live without ^F
 You ^{Am} mustn't ^C underestimate that when you are in ^{Em} doubt ^F
 But I ^{Am} don't want to ^C carry on like everything is ^{Em} fine ^F
 The ^{Am} longer we ^C ignore it all the more that we will ^{Em} fight ^F

^{Am} Please don't ^C fall apart
 I can't ^{Em} face your ^F breaking heart
^{Am} ^C

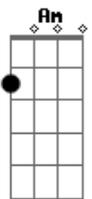

I'm ^{Em} trying to be ^F brave
 Stop ^{Em} asking me to ^F stay
 I can't ^F love you in the ^G dark ^{Am} ^C
 It ^F feels like we're ^G oceans ^{Am} apart ^C
 There's ^F so much ^G space between us
 Maybe ^{Am} we're ^C already defeated
 Ehhh
 Everything ^{Am} changed me ^C

We ^F are not the ^G only ones
 I ^{Em} don't ^{Am} regret a ^C thing
 Every ^{Am} word I ^C said
 You ^F know I'll ^G always ^{Am} mean ^C
 It ^F is the ^G world to me
 That ^{Em} you are in ^C my life
 But I ^F want to ^G live and not just ^{Am} survive ^C
 That's ^F why I can't ^G love you in the ^{Am} dark ^C
 It ^F feels like we're ^G oceans ^{Am} apart ^C
 There's ^F so much ^G space between us
 Maybe ^{Am} we're ^C already defeated
 'Cause ^F ehhh ^G
 Everything ^{Am} changed me ^{Em} ^C
 And ^F I
 I ^G don't think you can ^{Am} save me ^{Am}
