

Adele - Set Fire To The Rain

tom:
Intro: Dm F C Gm
[Primeira Parte]
I let it fall, my heart
And as it fell you rose to claim it
It was dark and I was over
Until you kissed my lips and you saved me

[Segunda Parte]

My hands they're strong
But my knees were far too weak
Stand in your arms
Without falling to your feet

[Pré-Refrão]

But there's a side to you that I never knew, I never knew
All the things you'd say, they were never true, never true
And the games you'd play, you would always, always win

[Refrão]

But I set fire to the rain
Watch it pour as I touched your face
Well, it burned while I cried
Cause I heard it screaming out your name, your name

[Terceira Parte]

When I'm with you
I could stay there
Close my eyes, feel you're here forever
You and me together, nothing is better

[Pré-Refrão]

But there's a side to you that I never knew, I never knew
All the things you'd say, they were never true, never true
And the games you'd play, you would always, always win

[Refrão]

But I set fire to the rain
Watch it pour as I touched your face
Well, it burned while I cried
Cause I heard it screaming out your name, your name
I set fire to the rain
And I threw us into the flames
Where I felt something die
Cause I knew that that was the last time, the last time
[Ponte]

Sometimes I wake up by the door
That heart you caught, must be waiting for you
Even now when we're already over
I can't help myself from looking for you

[Refrão]

I set fire to the rain
Watch it pour as I touch your face
Well, it burned when I cried
Cause I heard it screaming your name, your name
I set fire to the rain
And I threw us into the flames
Where I felt something die
Cause I knew that was the last time, the last time, oh, oh
