

# Adele - Set Fire To The Rain

tom:

I let it fall, my heart  
 And as it fell, you rose to claim it  
 It was dark and I was over  
 Until you kissed my lips and you saved me  
 My hands, they're strong, but my knees were far too weak  
 To stand in your arms without falling to your feet

But there's a side to you that I never knew, never knew  
 All the things you'd say, they were never true, never true  
 And the games you'd play, you would always win, always win

But I set fire to the rain  
 Watched it pour as I touched your face  
 Well, it burned while I cried  
 'Cause I heard it screaming out your name, your name

When I lay with you I could stay there  
 Close my eyes  
 Feel you here forever  
 You and me together, nothing is better

'Cause there's a side to you that I never knew, never knew  
 All the things you'd say, they were never true, never true  
 And the games you'd play, you would always win, always win

But I set fire to the rain  
 Watched it pour as I touched your face  
 Well, it burned while I cried  
 'Cause I heard it screaming out your name, your name  
 I set fire to the rain  
 And I threw us into the flames  
 Well, It felt something died  
 'Cause I knew that that was the last time, the last time

Sometimes I wake up by the door  
 That heart you caught, must be waiting for you  
 Even now when we're already over  
 I can't help myself from looking for ya

I set fire to the rain  
 Watched it pour as I touch your face  
 Well, it burned while I cried  
 'Cause I heard it screaming out your name, your name  
 I set fire to the rain  
 And I threw us into the flames  
 Well, I felt something died  
 'Cause I knew that that was the last time, the last time, oh

Oh, no  
 Let it burn, oh  
 Let it burn  
 Let it burn
