```

[Primeira Parte]

```
       A              Dbm
I've heard that you're settled down
        Gbm
That you found a girl
             D
And you're   married now

A                      Dbm
  I've heard that your dreams came true
             Gbm
Guess she gave you things
           D
I didn't give to you

A                     Dbm
Old friend why are you so shy?
             Gbm
Ain't like you to hold back
         D
Or hide from life
```

[Pré-Refrão]

```
    E                          Gbm7
I hate to turn up out of the blue uninvited but
Dadd9
I couldn't stay away I couldn't fight it
              E
I'd hoped you'd see my face
         Gbm7                       D
And that you'd be reminded that for me
           D   D
It isn't over
```

[Refrão]

```
A               E          Gbm   D
  Never mind I'll find someone like you
       A          E         Gbm   D
I wish nothing but the best for you  too
       A          E        Gbm        D
Don't forget me I beg I'll remember you said
             A                  E
Sometimes it lasts in love but sometimes
         Gbm     D
It hurts instead
```

[Segunda Parte]

```
A                   Dbm
  You'd know how      time flies
             Gbm
Only     yesterday
            D
was the time of our lives
           A
We were born and raised
        Dbm
In a summer haze
         Gbm                     D
Bound by the surprise of our glory days
```
