

Adele - Tired

Tom: G

Where do you go when you stayed behind I looked up and inside down and outside only to find [Primeira Parte] A double taking punching hard and laughing at my smile Hold my hand while you cut me down I get closer you obviously prefer her It had only just begun but now it's over now [Refrão] And you're in the heat of moments with your heart playing up I'm tired of trying G I'm between the middle watching hastiness unfold Your teasing ain't enough In my eyes you were smiling in the spotlight dancing Fed up of biding your time With the night when I fell off your mind When I don't get nothing back [Refrão] I'm tired of trying G When I don't get nothing back Boy, I'm tired of trying Your teasing ain't enough Fed up of biding your time Your teasing ain't enough When I don't get nothing back Fed up of biding your time F C Em F And for, and for what, and for When I don't get nothing back When I don't get nothing back And for, and for what, and for Oy, I'm tired When I don't get nothing back [Segunda Parte] Oy, I'm tired
