

# Adele - Water And a Flame (feat. Daniel Merriweather)

tom:

Em

Seven days has gone so fast  
I really thought the pain would pass  
It's been nearly an hour  
Since I thought of you  
But you're not answering the phone  
I'd settle for a busy tone  
At least by that I'd know that you're okay  
A girl like you ain't meant to go away oh

Bm7 Em7  
Now you're gone  
There's nothing else I want  
Bm7 Em7  
Now that it's over  
There's nothing else I want

Bm7 Em7  
What have I done  
Looks like I was wrong  
Em Am D  
Is everything really meant to change  
Em Am  
I guess we're like water and flame
