

Adhemar de Campos - Sopra Teu Vento

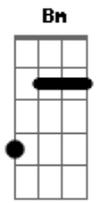

tom: Em

Sopra teu vento
 Acende o fogo
 Teus rios de água viva fluam de mim
 Que o teu amor inunde o meu ser

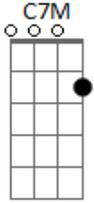

Como o fogo

Refina o ouro
 Arda em mim Essa chama de amor
 E purifique meu coração
 Te quero, te amo, te desejo, te adoro
 Acende em mim essa chama de amor
 Arda dentro de mim o teu amor, ó meu amado
 Arda dentro de mim o teu amor
