

Adicts - Champs-Elysees

```
Tom: G
   (intro)
(GA)(4x)
I look so debonaire
I haven't got a care in this
B E A
World, this crazy world
And I act oh so suave
Sophisticated, boy I've got it all
  A
I'm a star
Dance the night away
Down in gay Paris
Dance the night away
On the Champs-Elysees
Dance the night away
Down in gay Paris
Dance the night away
Make it sleazy
I am a mystery
Not what I seem to be, oh
No, It's so Parisian.
I am a masquerade
Just a man-parade
So I dance, I dance with you, hoooo
```
