Funny how life can be
             Ε
  Am
I question my self esteem
I'm not shirking it, I just question it
         Α
Kids just wanna know more
I'm just like anyone
Looking for answers since I was born
I still question it I'm not faking it
I just wanna know more
CBA
Over there, over there
The sun is always shining
CBA
Over there, over there
But the sun don't shine on me
                   G
                                 Am
And I'll say Oooh ooh, to every boy and girl
                       G
                                 Α
And I'll say Oooh ooh, oh we're gonna get there
And I'll say Oooh ooh, to every boy and girl
And I'll say Oooh ooh, yeah we're gonna get there (Yeah we're
gonna get there)
```
