             G
I wonder, all over, I wonder alone
            G
                       D
Adventure, romance, Many I've known
I'm just a troubadour
I'm in love with you
Traveled the world, seen all the girls
I'm in love with you
I'm just a troubadour
I'm in love with you
Traveled the world, seen all the girls
I'm in love with you
I know that you know that I'm looking at you
I'll sing you a story And this one is true
            G
I look at you Look at me not a big star
            G
                       D
Boys and girl, that's what we are
I'm just a troubadour
I'm in love with you
Traveled the world, seen all the girls
I'm in love with you
I'm just a troubadour
I'm in love with you
