

Adilson Silva - O Filho do Homem

tom:

E (forma dos acordes no tom de D)

Capostrate na 2ª casa

Refiz o teu caminho pra entender

Esse teu proceder e o porquê da cruz

Quem fez tantos milagres de uma vez

Podia se salvar

Mas mesmo assim não o fez

Andava como fosse um pescador

Sem formosura e parecer, iluminava mais que o sol

Descansava os pés andando sobre o mar o Filho do Homem

Eu procurei um Rei assim, com palácio em Nazaré

Estátua em ouro em Carfanaum

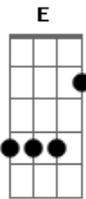

Mas não o encontrei como eu imaginei

Voltei então a Via Crucis

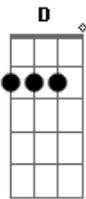

E no sepulcro não achei

Pra entender enfim seu reino está em mim
