Life and death

Death and life

All that's real

Is transformation

Chant and sing

With sound and breath

The heart can feel

A good vibration

Tears of joy

Life and death

Death and life

All that's real

Is transformation

Chant and sing

With sound and breath

The heart can feel

A good vibration

Tears of joy

Tears of pain

My heart goes out

To every nation

Bird on the wing

Cloud in the sky

Thanks and praise

For all creation

Night and day

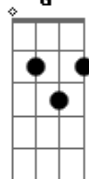

Day and night

An intergalactic
