

# Adriana - Virgem do Silêncio

tom:

A

Intro: A

Nossa senhora virgem do silêncio

Quero sempre te amar

Deitar no teu colo, sentir teu perfume

Seu carinho materno ganhar

Lágrimas de sangue nos teus olhos

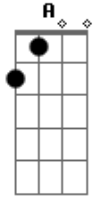

Estigma e martírio da alma

Mãezinha minha vida, pra igreja quero consumir

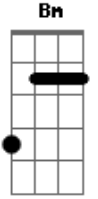

Quero estar ao teu lado na cruz, sofrendo as dores de Jesus

E dizer que na loucura da cruz vou seguir
