

## Adrianne Lenker - Zombie Girl

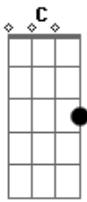

tom:  
 C C C  
 What a dream that was  
 Em F  
 I almost couldn't wake because  
 C Em  
 I was frozen in bed with a zombie girl  
 F  
 Vacant as a closed down fair

F C Em F  
 Sleep paralysis, I sworn I could've felt you there  
 C F  
 And I almost could've kissed your hair  
 C Em  
 But the emptiness withdrew me  
 F  
 From any kind of wishful prayer

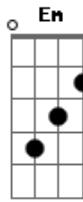

C Em  
 Oh, emptiness  
 Gm  
 Tell me 'bout your nature C C Am  
 Maybe I've been getting you wrong  
 C C  
 I cover you with questions  
 C C  
 Cover you with explanations  
 C C G  
 Cover you with music

F C  
 Then the next night  
 Em F  
 Dreaming I could feel your skin
