Marceline,  
**F**  
Is it just you and me  
**C**  
In the wreckage of the world  
**F**  
That must be so confusing  
**C**  
For a little girl  
**Fm**  
And I know you're going  
**C**  
To need me here with you  
**F**  
But, I'm losing myself  
And I'm afraid  
**E**  
You're gonna lose me, too  
**D**  
This magic keeps me alive  
**G**  
But, it's making me crazy  
**C**  
And, I need to save you  
**F**  
But, who's going to save me?  
**Fm**  
Please forgive me  
**C**  
For whatever I do  
**E**  
When I don't remember you

But I remember that  
**C**  
I saw you frown  
**F**  
I swear it wasn't me  
**E**  
It was the crown  
**D**  
This magic keeps me alive  
**G**  
But, it's making me crazy  
**C**  
And, I need to save you  
**F**  
But, who's going to save me?  
**Fm**  
Please forgive me  
**C**  
For whatever I do
