

Aeden Alvarez - After Always

tom:

Intro: C F Am F Fm

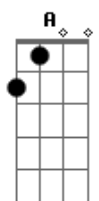

C F
I can say that you're my favorite heart
Am F Fm
Give me love and tell me we'll never part
C F
I'll give you my all, my all
Am F Fm
So give me love like you did from the start
C
And I know that I can make you crazy
F
'Cause I love you, baby
Am F Fm
I wanna love you

[Refrão]

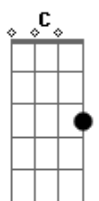

C F
And I just wanna know, know where we could go
Am
If we just take it slow
F Fm
I remember when you said "I will always love you, baby"
C F
But please let me know, know what to say
Am
To make you wanna stay
F Fm
I just wanna see what we could be
C F
After always
Am F Fm
After always

C F
If you say that we were meant to be
Am F Fm
Then why is everything keeping you away from me
C
I just wanna see, wanna see, wanna see
Wanna see, wanna see
F
Wanna see your face
Am
But it's so hard
F Fm
When you're looking the other way
[Refrão]

And I just wanna know, know where we could go
Am
If we just take it slow
F Fm
I remember when you said "I will always love you, baby"
C F
But please let me know, know what to say
Am
To make you wanna stay
F Fm
I just wanna see what we could be
C F
After always (after all, after all, after all)
Am F Fm
After always
[Ponte]
C
I keep my head in books that say forever lasts forever
F Am
Flippin' through pages 'bout love and flying high and I, I, I
Am F
Think they were talking 'bout you and everything that you do
Fm
I've been seeing stars and some blue skies
C F
All I need is your touch and your love and everything in
between
You and me are enough
Am
And that beautiful smile
F Fm
That I just wanna touch with mine
Oh
C F
And I just wanna know, know where we could go
Am
If we just take it slow
F Fm
I remember when you said "I will always love you, baby"
C F
But please let me know, know what to say
Am
To make you wanna stay
F Fm
I just wanna see what we could be
C F
After always
Am F Fm
After always
