Tryin' to walk through the pain
       Am                  G
When I lost my grip and I hit the floor
        C7                                                  F

You have to learn to crawl before you learn to walk
       C7                                        F
But I just couldn't listen to all that righteous talk
