

Aerosmith - Cheese Cake Intro

Tom: F guitar 1(w/slide)-

Cheese Cake(,)-

I'll post more when I get more but for now here's what I think is played for the and main riff:

(lots of feedback)
 E----|
 B----|
 G-0--|
 D-0--|
 A----|
 E----|

The verse riff sounds the same as the first part of the intro except played at a faster tempo.

That's all I have right now. Send all comments,questions,corrections and additions to
