Tom: E

(base)
(E B Dbm A)

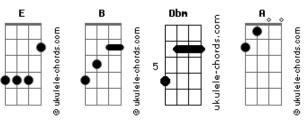

I saw you standing there I wondered who you were You looked right through me and I think we can concur That you don't know my name my claim to fame but I'm not the same

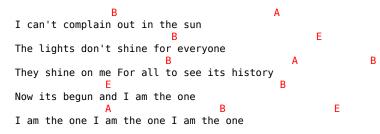

As all the other guys who play the game but look so lame

A B And see what they became

E B
Now its begun and I am the one
B E
Your only hero on the stage

Acordes

(E B Dbm A)

So now the tables turned and you know who I am
The boy who made the grade and now you give a damn
But hey its much too late to make that date accept your fate
Your just another girl that I don't rate and wrapped in hate
Obsessed about her weight
