STANDARD E TUNNING

Sweet Susie Q  
She was a rebel

No angel wings

Born like the devil

She was so hot  
So cool and nasty

Believe it or not

Here's what she asked me...

A  
'If you need love  
With no condition  
Let's do the Do honey  
Em G  
I'm on a mission'

D  
The girl's so bitchin'  
F  
My backbone's twitchin'  
Bb  
Cause down in Hell's kitchen  
C D C G F  
The Devil's Got a New Disguise  
D  
I'm on a mission  
F  
A proposition  
Bb  
It's intuition  
C C D C D C D C D  
Cause the Devil's Got a New Disguise

If you see Kay (F.U.C.K.)  
Tell her I love her

She did me in

But I'll recover

She said love  
Was her desire

All that she touched

She set on fire

A  
She was so diss  
I couldn't slake her  
She blew a kiss  
Em G  
I threw the dagger

The girl's so bitchin'  
My backbone's twitchin'  
Cause down in Hell's kitchen  
The Devil's Got a New Disguise  
I'm on a mission  
A proposition  
It's intuition  
Cause the Devil's Got a New Disguise

E A  
We came from the wrong side of town  
D E

Got nothin' to lose when you're upside down  
E A  
We gotta get out of this place  
D  
Got nothin' to lose girl

It ain't no surprise  
When your big ol' silver eyes

Got me feelin' tranquilized

When she lets me have her prize

Cause Monday night  
She's Tuesday wild

On Wednesday night

She's Thursday's child

A  
But Friday night, night, night, night, night, night, night  
You gotta give me all of your love
