**Bm** **Gbm**  
Every time that  
**D** **D7M**  
I look in the mirror  
**Bm** **Gbm**  
All these lines  
**D** **D7M**  
On my face gettin' clearer  
**Bm** **Gbm** **D** **D7M**  
The past is gone  
**Bm** **Gbm** **D** **D7M**  
It went by like dusk to dawn  
**Bm** **Gbm**  
Isn't that the way?  
**D**  
Everybody's got their  
**D7M**  
Dues in life to pay

**Bm** **A**  
I know nobody knows  
**G** **A**  
Where it comes and where it goes  
**Bm** **A**  
I know it's everybody's sin  
**G** **A**  
You got to lose to know how to win

( **Bm** **Gbm** **D** **D7M** )

**Bm** **Gbm**  
Half my life's  
**D** **D7M**  
In books' written pages

**Bm** **Gbm**  
Lived and learned  
**D** **D7M**  
From fools and from sages

You know it's true

All the things  
**D** **D7M**  
Come back to you

**Bm**  
Sing with me  
**A**  
Sing for the year  
**G**  
Sing for the laughter  
**A**  
And sing for the tear

Just for today

Maybe tomorrow

The good lord will take you away
