

Aerosmith - Fallen Angels

Tom: C

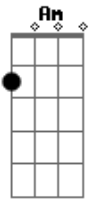

There's ^CA ^{Am}candle ^FBurning in this world ^Gtonite
 Another child who vanished out of sight
 And a heart is broken, another prayer in vain
 There's a million tears that fill a sea of pain
 Sometimes I ^Fstare out my ^Gwindow ^C

My thoughts all drift into space
 Sometimes I wonder if there's a better place
 Where do fallen Angels Go? (I just don't know)
 Where do fallen Angels go? They keep falling (They keep falling)
 -- [acordes] --
 C = x32010 G = 320022 F = 133211 Am = x02210
