(parte 3)

(parte 3)

Long ago in days untoled
 Were ruled by lords of greed
 Maidens fair, with gold they dared
 To bare their wombs that bleed
 Kings And Queens and guillotines
 Taking lives denied
 Starch and parchments laid the laws
 When bishops took the ride

Only to decieve

Oh I know I
 Lived this life before
 Somehow I know now
 Truths I must be sure
 Tossin' turnin', nightmares brunin'

Dreams of swords in hand
 Sailing ships, the viking spits
 The blood of father's land

Only to decieve ((partel e (parte2)

Living times of knights and mares
 Raising swords for maidens fair
 Sneer at death, fear only loss of pride
 Living other centuries
 Deja v?or what you please
 Follows true to all who do or die

Screams of no reply
 They died
 Screams of no reply
 And And died...

Lordly, lordly, they died.
 (Solo de Baixo)
 (Solo de Guitarra)

Let them do or die...
 Let them no reply...
