

Aerosmith - My Only Angel (feat. YUNGBLUD)

tom:
 G
 Would you cry if I called you my angel? Dadd9
 Cadd9
 Gotta leave, gotta leave, gotta leave you one more time G
 G
 My pretty little poison, I'll taste you in the morning Dadd9
 Drink you in the evening, then we'll go out stealing Cadd9
 Won't rest till I find you G
 Won't rest till I like you one last time G
 G
 Take it when you want it, never when you need it Dadd9
 Said you want a show, girl, call you from the road, girl Cadd9
 Meet up in an island G
 Tell me all your problems one last time G
 Gadd9 Dadd9
 Would you cry if I called you my angel? Cadd9 G
 Gotta leave, gotta leave, gotta leave you one more time Gadd9 Dadd9
 Will you cry, my only angel? Cadd9 G
 Gotta leave, gotta leave, gotta leave you far behind G
 G
 You say you wanna keep me 'round your little finger

Dadd9
 But, baby, I'm a runner, baby, I'm a gunner
 Cadd9
 Don't know where you'll find me G
 But I hope that you'll find me one last time
 Gadd9
 Along a desert road, I tried to let you go Dadd9
 I had to face the fact that I should let you know Cadd9
 That after all this time, the show will still go on G
 But I need a little something to remember you by
 Gadd9 Dadd9
 Would you cry if I called you my angel? Cadd9 G
 Gotta leave, gotta leave, gotta leave you one more time Gadd9 Dadd9
 Will you cry, my only angel? Cadd9 G
 Gotta leave, gotta leave, gotta leave you far behind
 Gadd9 Dadd9
 Would you cry if I called you my angel? Cadd9 Cadd9
 Gotta leave, gotta leave, gotta leave G
 You one more time (one more time) Gadd9 Dadd9
 Will you cry (cry), my only angel? (Cry) Cadd9 G
 Gotta leave, gotta leave, gotta leave you far behind
