

# Ágape Uma Comunidade de Amor - Fogo Suave

tom:

Intro: C G Am G7 F Em Dm F G7 C

Teus dedos tocam o meu pensar, carinho em minha alma

Sossega e acalma minha vida agitada

Tua presença me acolhe, não vou embora

É tua esta hora, estou nascendo

Adorarei, Espírito Santo

Fogo suave, abrasador, doce hóspede da alma

Adorarei, Espírito Santo

Fogo suave, abrasador, doce hóspede da alma

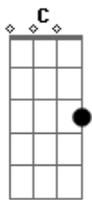

Meus olhos cantam ao chorar, Arrependida

Ovelha fugida Querendo voltar

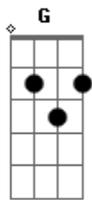

Aprecia o canto que eu te dou, Colhe as palavras

Saudosas da alma, Sedenta de amor
