

Agepê - Sentimento Verdadeiro

tom: **F**

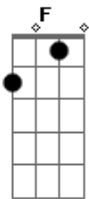

Peço silêncio se você
Me encontrar
Não fale nada deixe a voz
Do coração
A sintonia na frequência
De um olhar
Faz revelar o sentimento
Verdadeiro

Palavra a toa voa voa
O vento leva
Eu vou sentir no jeito
De você me olhar

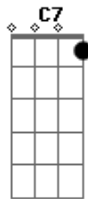

(**Eb**)

Se ainda me quer se é paixão
Se é mentira ou ilusão
Eu vou sentir no jeito
De você me olhar
Se desviar a visão
Supercilios dizem não
Então não há mais razão
Pra se amar
Se ainda sente emoção
Se uma só lágrima rolar
Eu vou sentir no jeito
De você me olhar
