Aghatus - Life Out Of The Way

```
                          tom:
                   Gbm
Intro: Gbm11   Gbm11   Gbm11   Gbm11
       Gbm11   Gbm11   Gbm11   Gbm11

Gbm11                    Gbm11
I am tired of roaming in this long way
Gbm11        Gbm11
And only get nowhere
Gbm11               Gbm11
What my mind does to trick me
Gbm11           Gbm11
'Cause so numb, I still remain

A           E              Gbm  D  E
Thinking just thinking and don't do
A       E     Gbm        D  E
I can't get my will power
   A         Gbm       D  E
I lose myself in my own lies
A           E              Gbm  D  E
I stay lost watching the waves go by

Bm      Dbm  D         E
I don't know where I am going
Bm           Dbm             D
Waiting for nothing that really matters

( Gbm11   Gbm11   Gbm11   Gbm11 )
( Gbm11   Gbm11   Gbm11   Gbm11 )

     Gbm11        Gbm11
And I will not deceive myself
Gbm11          Gbm11
I just want to reach my way
Gbm11              Gbm11
I have thought that I do but
   Gbm11                Gbm11
I think I don't know how to love myself

A           E              Gbm  D  E
Thinking just thinking and don't do
A       E     Gbm        D  E
I can't get my will power

I don't know where I am going
Bm            Dbm             D    E
Waiting for nothing that really matters
Bm           Dbm
Keep the way, is not the right thing
   D         E
To change my mind
Bm       Dbm           D
Life out of the way for me
