

Agnaldo Timóteo - Fera Ferida

Tom: A

Acabei com tudo
 escapei com vida
 tive as roupas e os sonhos rasgados
 na minha saída.

Mas saí, ferido
 sufocando o meu gemido

Fui o alvo perfeito
 muitas vezes no peito atingido.

Animal arisco, domesticado esquece o risco
 me deixar enganar e até me levar por você.

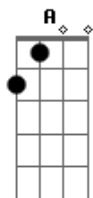

Eu sei, quanta tristeza eu tive
 mas mesmo assim se vive morrendo
 aos poucos por amor

Eu sei, que o coração perdoa
 mas não esquece à toa
 e eu não esqueci

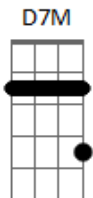

Não vou mudar
 esse caso não tem solução

Sou fera ferida, no corpo e na alma
 e no coração.
