

Agostinho dos Santos - Fim de Caso

tom:

Intro: F Gm Am Bb Bbm

Eu desconfio

Que o nosso caso está na hora de acabar

Há um adeus em cada gesto em cada olhar

Mas nós não temos é coragem de falar

Nós já tivemos

A nossa fase de carinho apaixonado

De fazer versos

De viver sempre abraçados

Naquela base do só vou se você for

Mas de repente

Fomos ficando cada dia mais sozinhos

Embora juntos cada qual tem seu caminho

E já não temos nem vontade de brigar

Tenho pensado

E Deus permita que eu esteja errada

Mas eu estou, ai

Estou desconfiado

Que o nosso caso está na hora de acabar
