

# Air Supply - Chances

Tom: **E**

**E** **B**  
 There's a chance you will be there  
**A**  
 I'd like to know the truth  
**B**  
 I'll find it out somehow  
**E**  
 The chances aren't too strong  
**B**  
 A chance you will be there  
**A**  
 Please be there alone  
**B**  
 Help me speak of love  
**Gbm**  
 Chances aren't enough  
**A**  
 One's too good to miss  
 Chances aren't too strong **E E E**

A chance is all there is  
**E** **B**  
 There's a chance you will be there  
**A**  
 Wond'ring what to do  
**B**  
 How to play my role  
**E**  
 I'll leave it up to you  
**B**  
 If I disguise my smile  
**A**  
 It gives too much away  
**B**  
 And what if we can't speak  
**Gbm**  
 What then shall I say  
 Don't you be too long  
**A**  
 Something has gone wrong  
**E**  
 The chances are all gone
