

# Air Supply - Here I am

Tom: C

Intro: C G F C G Dm Em F

Here I am playing with those memories again

And just when I thought time has set me free

Those thoughts of you keep taunting me

Holding you, a feeling I never outgrew  
Though each and every part of me has tried

Only you can fill that space inside

So there's no sense pretending

My heart it's not mending

Just when I thought I was over you

Just when I thought I could stand on my own

Oh baby those memories come

Crashing through

And I just can't go on without you

On my own I've tried to make the best of it alone

I've done everything I can to ease the Pain

But only you can stop the rain

I just can't live without you

I miss everything about you

Go on without

It's just no good without you

Without you, without you, without you
