

Air Supply - The Earth Is

tom:

Intro: G Em C D

There's a man with the smallest of worlds in his hands

And a tear fills his eyes as he tries to hold on

Holding his world together

There's a girl in the other half of the sky

And she's wondering why her planet should sigh

Don't you want me 'round forever

The earth is too small to be divided

Sunrise, moonfall, deep in the heart a part of everyone

And we can't wait anymore, the time has come

And those who need something more will feel the sun

We're sharing one

The earth is too small to be divided

Sunrise, moonfall, deep in the heart a part of everyone

And we can't wait anymore, the time is now

You've got your foot in the door

Get through somehow, break through somehow

The earth is too small to be divided

Sunrise, moonfall, deep in the heart a part of everyone

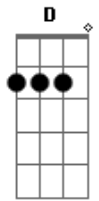

(G Am F G Bm C D7 E7)

The earth is too small to be divided

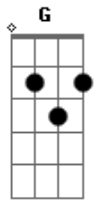

Sunrise, moonfall, deep in the heart a part of everyone

The earth is
