

# Airam Capuani - Sim e Não

tom:  
Am

Intro: Am7

Tudo é sim

Tudo é não

Só depende de quem olha primeiro

Dia sim

Dia não

Eu conversei com esse homem no espelho

O que fa\_\_zer?

Quem é vo\_\_cê?

O que eu vou ser?

Quem sou você?

Yeeee-eahhh-eahhh

Ha, ha, ha

Yeeee-eahhh-eahhh

( Bm Bb A A7 D )

Clock-clock

Mamãe, eu fiz medicina pra virar doutor

(Mas eu não quero ser doutor, mamãe!)

Eu vou voltar pra Santos e virar pescador

Yeah, abrindo as portas da percepção

Com meu amigo baiacu

Abrindo as portas da percepção

Com meu amigo baiacu

Você me diz que eu te faço mal

Depois que eu descobri que tudo é transe tribal

É, e se eu descobro que Deus é mal

Eu vou pra Caxambu fazer meu rock rural

João e Paulo

Paulo e João

Milton e Salomão

Dia 30 de fevereiro

Eu vou fazer um show onírico!

Garanta seu ingresso em

"www.vendiminhaalmaparaocomputador.com.br"

Mas se você está liso e sem grana

Pode entrar de graça por projeção astral!

Rock rural

Transe tribal

Fechando as portas da percepção

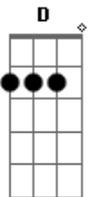

Com meu amigo baiacu

Relaxa, eu sei que você tá aflito

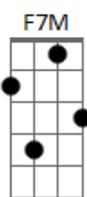

Não se importa, quem vai, volta!

( A7 G7 D7 )
