

Airton Sedano - Atarantado

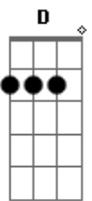

tom:

Intro: **D7M** **D7** **D** **Gm** **D**

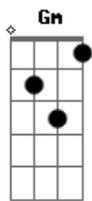

Para coração, com coisas de amor
 Que não é brincadeira essa história de paixão
 Vai sobrar pra mim, você não aprende mesmo não
 Vai sofrer, vai chorar e vai se arrepender
 Por ser tão impulsivo assim
 E vai nos arrasar, nos entregar de novo a esmo
 Para coração, seja como for
 Você não aprende mesmo não
 Vai sofrer, vai chorar e vai se arrepender
 Meu coração tem uma batida atarantada
 Que ataranta assim a minha alma, hum

G7M **Gb7**
 Ele dispara quando eu paro pra te ver
Bm **Bm** **E7**
 E quando bate mais apanha de você
G **F7**
 Mesmo assim não deixa de te amar
Gb7 (**Bm** **Bm7** **Bm7** **Bm**)
 E ainda ama mais, é louco, louco
E **Em** **A7**
