

# Aj Abdullah - Oh, The Moon!

tom:

Intro: Dm G7 C Am

[Refrão]

Oh, the moon  
Pales in comparison to you  
And I don't know what I should do

[Primeira Parte]

Love always feels like it gets in the way  
Hanging out but we got nothing to say  
See you tomorrow  
Love you through sorrow  
Leave me some breadcrumbs  
And I swear I'll follow you

[Pré-Refrão]

The right way is feeling so wrong  
But the right way should lead me to you  
Cause if it's true I don't know what I'll do

[Refrão]

Oh? the moon  
Pales in comparison to you

And I wanna spend the rest of my life with you

[Segunda Parte]

Your eyes look like the stars  
The sky is jealous  
You're taking me too far  
It's overwhelming  
No matter how high we go  
I'll find my way back to you

( Dm G C Am )

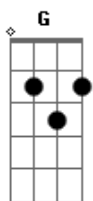

[Ponte]

Oh? the moon  
Leaving me oh so soon  
Will I see you again?  
I'll stay right here till then  
Singing out to all the stars  
Hoping you hear me wherever you are  
Calling your name each and every day  
If they call me insane I'll say

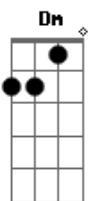

[Final]

Oh the  
( F G C C )  
( F G C Am )
