

AJR - Break My Face

```
Tom: Eb
                                                        0kay!
                                                                      В
                                                                               Bb
                                                        So if I break my face, and I don't look so great
                                                                      В
                                                        My face is just my face (my face)
0kay!
Ab B Bb
                                                         Gb
                                                        0kay!
Ah, ah, ah
                                                                В
Ebm Gb B Bb
                                                                               Bb
Ah, ah, ah
                                                        So if I break my face, it ain't my darkest day
                                                         Gb B
                     B Bb
                                                        My face is just my face, I'm okay
    You run your mouth, your tongue fell out Gb B
                                                        Ab B Bb
It's right there on the ground
                                                        Ah, ah, ah
  Ebm Ab
                                                        Ebm Gb B Bb
But now, you'll never drown
                                                        Ah, ah, ah
  Bb
              Ebm
You can't, you got no mouth
                                                                   Ebm
                                                        What doesn't kill you
So it ain't all bad now
                                                        Ab B Bb
                                                        Makes you ugly
                                                        Life gives you lemons
Gbm
What doesn't kill you

Makes you ugly
Ebm
                                                        At least it gave you something
                                                             Ebm
                                                        What doesn't kill you (what doesn't kill you)
Life gives you lemons
                                                          В
At least it gave you something
                                                        Makes you ugly (makes you ugly)
                                                               Ebm
                                                        Life gives you lemons
0kay!
         B Bb
                                                        At least it gave you something
So if I break my face, and I don't look so great
Gb B
My face is just my face (my face)
                                                        0kay!
                                                                      В
                                                                                Bb
Gb
0kay!
                                                        So if I break my face, and I don't look so great
                                                                      В
So if I break my face, it ain't my darkest day
                                                        My face is just my face
 Gh B
                       Gb
                                                        'Cause everything is going great
Gb B Gb
My face is just my face, I'm okay
                                                        Ab B Bb Ebm
So if I break my face, it ain't my darkest day
                                                                     В
Ah, ah, ah
                                                        My face is just my face, I'm okay
Ebm Gb B Bb
                                                        ( Gb Ab B Bb Ebm Gb B )
Ah, ah, ah
              B Bb Ebm
                                                        Ah, ah, ah
 You roll your eyes a hundred times
  Gb B
                                                        I'm okay
At every phony lie, are your eyes okay?
         B Bb
                                                        At least it gave you something
They rolled away, right down the interstate

Gb

B
                                                        Ah, ah, ah
But at least you can't cry today
                                                        At least it gave you something
