C
Something's wrong
        Dm
But I'm scared to look it up
       F
If I do that and no one has it
   Fm
I'll feel so alone
C
Something's wrong
        Dm
But don't pity me for long
       F
If you get sad, then I'll feel bad
     Fm
That I told you at all

[Pré-Refrão]

C
I got friends in a lotta weird places

Wonder if they're gonna call
    B        Am
Depending what my face is
             G
What my face is, I could fake it
F
I could move away or I could

Suck it up and face it
