

# AJR - Next Up Forever

tom:

G

Your eyes are open, so never close them

You'll sail the ocean, finding where you

Should be

And if you're broken, you'll make your own

Thing

You'll make it so big for all the world to

See

You'll make it so damn big for all the

World to see

"Time to finally see what sex is like!"

I wanna be next up forever

Forever, I'll be second in line
