

AJR - The Dumb Song

tom:

Intro: Dm G C G Am

Oh, in my he-ad

[Primeira Parte]

You said with certainty
I may be the dumbest person that you've ever seen
You think you're hurting me
Bet you won't believe it, but you kinda set me free
(F Dm F Dm)

[Segunda Parte]

You've mentioned Adderall
Slip this guy a sedative, he's bouncing off the wall
"Honey, it's no big deal
We'll get you back to college, you can study something real"

[Pré-Refrão]

So, if that's how you feel

[Refrão]

When we go down
When kingdom come
Don't look at me, don't look at me
I'm just too dumb
I'd love to stay (Love to stay)
But like you say (Like you say)
Don't look at me, 'cause I got nothing in my head
(Nothing in my head)
Oh, in my he-ad

[Terceira Parte]

Too dumb for breaking up
I'd do it in person, but I'd probably mess it up
I'll text you, that's enough
That's how empty-head people get through shitty stuff
(F Dm F Dm)

[Quarta Parte]

F Bb F

Acordes

Your world is ending soon
Mine's a little better 'cause I never watch the news
You make my lunch today
I would do it, but I couldn't work my microwave
[Pré-Refrão]

So, if that's what you're saying

[Refrão]

When we go down
When kingdom come
Don't look at me, don't look at me
I'm just too dumb
I'd love to stay (Love to stay)
But like you say (Like you say)
Don't look at me, 'cause I got nothing in my head
(Nothing in my head)
Oh, in my he-ad
(C Am C Am)

You should not have done that!

(C Am C Am)

[Refrão]

When we go down (We go down)
When kingdom come (Kingdom come)
Don't look at me, don't look at me
I'm much too dumb (No, too dumb)
I'd love to stay (Love to stay)
But like you say (Like you say)
Don't look at me, 'cause I got nothing in my head
(Nothing in my head)
Oh, in my he-ad
Oh, in my he-ad

[Final]

When we go down
When kingdom come
Don't look at me, don't look at me
I'm just too dumb
